# Arkansas Commissioner of State Lands

## 2024 Regional Tax-Delinquent Land Sales

The Commissioner of State Lands holds regional auctions of tax-delinquent real estate at a central location. In most areas, contiguous counties are part of the regional auction. Some larger counties remain single auction events.

**Auctions begin at 10 a.m.  
and proceed alphabetically by county.**

*See reverse for schedule*

**View the catalog of available parcels at  
[www.cosl.org](http://www.cosl.org)**

Research parcels prior to the auctions. The COSL does not guarantee the existence, accessibility or usability of any parcel. The full purchase price must be paid at the auction by check or credit/debit card. **No cash is accepted.** Failure to pay or to make good a "bounced" check can result in a permanent ban from purchasing property from the COSL.
